Ron,

Good morning. I hope you're well.

Your edits suggest that your supplementing responses. When will those be provided? As you can appreciate, while Switch has produced numerous documents, we have received very few from your client. This leaves us with remedy through a Motion to Compel or asserting evidentiary inferences (negative or adverse inference) given the clear marketing materials showing your client designed the Aligned facilities.

Can you give us an estimated ETA update?

Dear Ms. Paonessa:

Our proposed revisions to the Stipulation to Extend Discovery are attached. You have my permission to place my electronic signature on the document if you don't have any additional revisions. Regarding the Stipulation to Limit Discovery to Switch's Las Vegas and Tahoe campuses, you have my

permission to affix my electronic signature on the document you emailed me on April 7, 2020

Thank you.
